

A LASTING COMMITTMENT TO LEADERSHIP AND COMMUNITY SERVICE

Nonprofit organizations represent America at its best, and few people demonstrate a love and commitment to the social service community like Derek "DY" Young. As the President & CEO of YMG Enterprises, LLC, DY has held numerous nonprofit leadership roles that reflect his dedication to the community and God-given ability to connect real world experiences with diverse audiences. DY infuses every keynote and consulting engagement with a myriad of strategies, knowledge, and skills that he has gained over the past four decades with some of the world's greatest organizations. Over the past 30 years, he has served as an Advisor, Trainer or Keynote Speaker for more than 100 organizations such as, Boy Scouts, Gigi's Playhouse, Martha O'Bryan, Oasis Center and STARS.

Derek believes strongly that talented people should direct their time, talent, and treasure to positively impact the lives of others. Since moving to Nashville in 1990, God has given him the privilege of serving more than 60 nonprofit organizations across Middle Tennessee. Derek remains committed to leveraging his gift to positively transform the lives of more than 500,000 people (and several hundred pets) with focus on:

- Educating organizations to enhance their services for a broad and growing population.
- Training thousands of employees, board members, and volunteers to demonstrate more inclusive and equitable behavior for brand expansion, membership growth, and constituent satisfaction.
- Serving as a strategic thought-leader to expand visions and maximize teams and resources.
- Donating personal time, talent, and treasure in more than 15 Board and Committee roles.
